F.A.Q's:

What does non-member refer to?

Non-members of Chipstead Place Lawn Tennis Club must pay a non-member fee each term. If you are already a member you pay the cheaper rate. Membership forms can be found by copying and pasting this link:

<http://www.cpltc.co.uk/join-us>

What is the difference between 'competitive' and 'recreational' squads?

Competitive squads are for players that are playing in a minimum of 2 squads per week and committing to regular matchplay through the term time and the holidays. Recreational squads are for players that are committing to one squad per week and not yet competing in matchplay. If on the timetable it says 'competitive and recreational' this means the players will be grouped separately with those making the same level of commitment to their tennis, but the groups will run at the same time as one another.

What if my child is playing once per week and would like more opportunities to play?

Whilst playing once per week is a great introduction, we recommend playing a minimum of twice per week to enhance improvement, therefore any interest to up commitment will be welcome, just call me on **07966130242** or email adam@artennis.co.uk.

What if myself or my child would like to get involved in competition?

Competing is a great way to understand the relevance of skills learnt in training and to develop tactically as a player. We offer opportunities to compete through teams all through the year, through local match plays at Chipstead Place LTC, Adult competitions throughout the year and the opportunity for members to play for Adult teams at the club! Just get in touch and I am happy to help. We will also have Junior teams representing Chipstead in the inter-club league, and representing Amherst, Chevening and Riverhead in Schools events.

Do you offer individual lessons and what is the cost?

Adult Individuals can be booked at a rate of £25 for Chipstead Members and £35 for Non-Members.

Individual lessons can be booked as a supplement to a Junior's program- however they must be committing to 2 squads + per week with us and playing in regular competition.

If you have any queries about the program or advice on how you can steepen the learning curve for yourself or your child then please don't hesitate to get in touch!

I LOOK FORWARD TO SEEING YOU ALL ON COURT!

*Please bring this part along with you to the 1st session of the term so I can keep the database up to date- If you are not happy to be on the database for any reason please tick here:
